Sir:

This reply is submitted in response to the Notice of Non-Compliant Amendment mailed July 25, 2005. Applicants respectfully submit that, although canceled claims 1-26 were not listed among the claims, the amendment was misjudged "noncompliant" because the claims were not amended at all. Only the specification was amended. The claims were only listed as a courtesy to the Examiner. In any event, all of the claims are listed below.
